

STEP UP TO TRANSFORM

Join our young high impact community

Axis PPIA Fellows

Duration: 2 years

Location: Select districts
of Chhattisgarh,
Jharkhand & Madhya
Pradesh

About the Fellowship

The **Axis PPIA Fellowship** is an intensive programme that will provide highly motivated young professionals an opportunity to impact the lives of the most marginalised communities in rural India. Axis PPIA Fellows will get an exciting opportunity to assist and work closely with the District Administration to provide inputs on strategy setting, planning, implementation, monitoring, and reporting for critical high-impact public programmes. The fellows will be mentored by the senior leadership of **Transform Rural India** to support District Administration in accelerating livelihood opportunities in resource constrained geographies through public system delivery improvements with spill over effects on health & nutrition, education, agriculture & allied activities, and other public services.

As an organization committed to equity and inclusivity, we prioritize creating opportunities for individuals from marginalized communities, including those who identify based on caste, gender identity, sexual orientation, race, ethnicity, disability, socioeconomic status, and religious affiliation. We also proactively encourage women who have taken career breaks for lifecycle needs to apply.

IS THIS FELLOWSHIP RIGHT FOR ME?

An Axis PPIA Fellow is a young professional with high motivation to serve and build the nation. This Fellowship seeks inspired change makers ready to work in challenging, exciting and learning environment to transform India. Candidates should meet the following eligibility criteria:

- At most 30 years of age.
- At least a Graduate or a Post graduate from a recognized university in any discipline.
- At least 2 years of full time work experience.
- A keen understanding of critical large government programmes, role of civil society with the state and the impact on marginalised communities.
- Ability to diagnose and assess social development issues, key stakeholder's priorities and build it into implementation strategy.
- High degree of curiosity to explore uncertainties and embrace the challenge of implementing innovative practices within the public system.
- Strong desire to challenge the status quo and tackle complex multidimensional issues in the most remote pockets of rural India.

THE FELLOWSHIP OPPORTUNITY

This fellowship, offers many opportunities to learn, contribute and gain wide range of exposure, including but not limited to

- Significant exposure to work with the Government at the cutting edge of India's development administration
- Collaborative team environment with focus on managerial achievement through analytical and problem-solving approach.
- Strong guidance and mentorship from the District Collector, Transform Rural India and Subject Experts.
- Consolidated stipend of Rs.75,000 per month which covers field as well as travel and work-related expenses of the fellow.
