

WE ARE HIRING
Now.

Consultant- Entrepreneurship & Employability (E&E)

TRI is a development design company — we design systems, institutions, and pathways that drive lasting rural transformation. This role within Bending Markets for Flourishing Localities (BMFL) will focus on operationalising Rural Economic Zones / Rural Growth Centres, promoting women - and youth - led enterprises, and in advancing green and sustainable value chains through policy support, stakeholder coordination, and program implementation. **Women who have taken a lifecycle career break are especially encouraged to apply.**

Important Note: If you applied for the "Specialist E&E" position between **12th Jan 2026- 19th Jan 2026**, please do not re-apply.

Why TRI?

Women-Friendly Workplace

Safe, inclusive environment actively welcoming women returners. Because talent has no expiry date.

Close-Knit, Proximal Teams

Shoulder-to-shoulder fieldwork with committed development professionals. Every colleague is present.

Intellectual Rigour × Practice

Analytical depth meets ground-level craft. Every assignment demands both thinking and doing.

Best-in-Sector Compensation

Matching the top compensation benchmarks in Indian development. We respect your worth.

Work-Life Balance Leader

Sustainable practice rhythms, personal time and family commitments are built into the operating culture.

What Will You Do?

- Contextualise a Whole-of-Economy approach by enabling convergence across departments, PRIs, and CBOs to drive local economic development
- Contribute to planning, development, and operationalisation of Rural Economic Zones /Rural Growth Centres as integrated clusters for enterprise, entrepreneurship, and value-chain development
- Drive promotion of women and youth-led nano and mini enterprises in rural areas.
- Lead identification and development of green and sustainable value chains for rural industrialisation
- Design and operationalise programs, guidelines, and SoPs related to rural industrialisation.
- Draft and operationalise State CSR policy, frameworks, and Ease of Doing CSR mechanisms in the state
- Coordinate with districts, line departments, corporates, and partner institutions for promotion of rural industrialisation in Chhattisgarh
- Prepare policy notes, reports, presentations, and progress updates on enterprise and entrepreneurship promotion
- Organise and manage meetings, workshops, consultations, and review processes related to enterprise and entrepreneurship promotion in the State

Who Are We Looking For?

- Post-graduate degree in Public Policy, Development Studies, Rural Management, Social Sciences, or a related field of study with 5 or more years of experience relevant to this position.
- Strong understanding of government systems, rural development programs, and public financing mechanisms
- Demonstrated experience in stakeholder coordination, policy and program implementation, livelihoods-based interventions, and collaboration with government, private sector, civil society, or CSR partners.
- Strong written and verbal communication skills, including policy and program documentation, with the ability to manage multiple workstreams independently in dynamic, multi-sectoral environments.
- Multi-lingual with experience working in diverse cultural contexts

This is a third party payroll position and is initially set for a year's duration.
